Note from the President

Dear Fellow Members:

I would like to thank everyone involved and those who have supported the Historical Society's activities this past year. Without everyone's support, we would not be able to put on 2 festivals, have several open houses, and do the 3rd grade school tours.

Our monthly meeting will be held on November 26th at 6:30 pm in the Community Room of Stow Safety Center. The Society will hold its annual officers and trustee's election in conjunction with a cover dish dinner and a presentation by Mr. Dave Roberts of the Park and Recreation Department on Stow Parks.

Our new officers and trustees will be installed by Mayor Karen Fritschel at our Annual Installation dinner on Saturday, December 1st starting at Noon at Stow City Hall. Entertainment will be provided by the Rubber City Harmonica Club. We will also be awarding the "Annual Crooked Stick Award". The cost of the installation dinner is \$9.00 per person. The menu consists of roast beef, baked ham, parsley potatoes, green beans, and garden salad tray with refreshments provided. Reservations for the Installation Luncheon need to be received by Marcia Gilmore by Thursday, November 29th.

John Baranek—President

Harvest Festival

Our October Harvest Festival was held on the 20th and the 21st in mostly favorable weather. It was a little breezy on Saturday. The 60'x40' tent provided some shelter to Parks and Recreation sponsored activities. All the pumpkins purchased were painted and sent home with 200 or more children. The other challenge provided by the wind was for the apple butter makers. They did keep the fire under the kettle, and made almost 100 pints of apple butter.

Our thanks again to Houston Morgan and the *Morgan Family* apple butter makers. Also demonstrating his craft was the blacksmith.

Harvest Festival (Continued)

Another special event on Sunday was the presence of the Akron Rubber City Model A Ford Club and their 6 restored coupes, sedans, and soft tops. They really looked great in the front yard of the Starr and Darrow houses.

The Heritage Barn was filled with Crafters, food and music.

Featured after the food and crafters was a special raffle item donated by Bobby Harter. It was a **Harvest Bear** that he made from a log with a chain saw.

Museum and Darrow Houses

Received fall garden spruce ups, thanks to Lorie and her helpers, along with interior cleaning.

Starr House

Received two new porch floors, three front porch posts, a brand new coat of paint, and repairs completed on water damaged bedroom walls. Our thanks to Dano and his helpers.

The **Harvest Bear** was won by Beth Daugherty who works at the Stow Munroe Falls Public Library. She donated the Harvest Bear to the children's department, where it is on display for all to see. Howard and Laverne delivered the bear to Beth.
